Brief Description of Arguments to be Presented:

Applicant will argue that the substations of Mazereeuw are not equivalent to the "generators" recited in independent claim 14. Applicant will provide references to a number of passages in the reference that support this assertion.

An interview was conducted on the above-identified application on _____.

NOTE:

This form should be completed by applicant and submitted to the examiner in advance of the interview (see MPEP § 713.01).

This application will not be delayed from issue because of applicant's failure to submit a written record of this interview. Therefore, applicant is advised to file a statement of the substance of this interview (37 CFR 1.133(b)) as soon as possible.
